

SUZANNE L. JED, MSN, FNP-BC

suzyjedglobal@gmail.com; +506 8549-9051

SUMMARY

- 15+ years of experience in public health
- Technical expertise in HIV, TB, HCV, NCDs, quality improvement, and health systems strengthening
- Experience in program design, coordination, implementation and management, including budgetary oversight and use of data to improve outcomes and intervention quality
- Clinical experience in Primary Health Care, HIV, TB, HCV, and NCDs across all age bands, including pediatrics
- Experience in operational research design, implementation and dissemination
- Technical experience in proposal, guideline and report writing
- Excellent analytical, communication, interpersonal, and organizational skills

PROFESSIONAL EXPERIENCE

CONSULTANT

OCT 2017- PRESENT

World Health Organization (WHO) - Differentiated Service Delivery (DSD) and ART expansion support, Pakistan Sept 2018 - Present

- Supported Sindh and Punjab Provincial Health Departments and AIDS Coordinators to develop an action plan for ART expansion through differentiated service delivery, including stakeholder consultation and policy development

Global Health Program Cycle Improvement Project (GHPRO) – USAID TB Prevention Support, Multiple Countries Dec 2018- Present

- Support to improve delivery and completion of TB preventive therapy, particularly within differentiated service delivery settings

Global Trade Analysis Project (GTAP) – U.S. Health Resources and Services Administration (HRSA) PEPFAR HRSA Capacity Building Project, Uganda & Tanzania June 2018 – Present

- Provided technical support in the design and coordination of a capacity building program to synergistically share best practices to further close gaps toward increasing the number of men and adolescents on ART and resulting virologic suppression in Tanzania and Uganda

I-TECH Botswana - Improving HIV Testing Outcomes and Index Partner Testing Oct 2017 – June 2018

- Provided technical support to maximize efficiency of HIV testing strategies with the end result of increased testing through high yield modalities, including index partner testing

IntraHealth, CAMPLUS Central America Regional Project – Translation

August 2018

**OFFICE OF THE U.S. GLOBAL AIDS COORDINATOR AND HEALTH DIPLOMACY
WASHINGTON D.C.**

NOV 2016-AUGUST 2017

Senior Adult Care and Treatment Technical Advisor – Detail/Assignment

- Provided technical assistance to S/GAC, agency headquarters teams, and to field teams in identification of effective interventions to further achievement of epidemic control, focusing on HIV Care and Treatment
- Participated in multi-partner and multi-lateral technical meetings and task forces related to HIV care and treatment, viral resistance, differentiated service delivery, and laboratory/antiretroviral supply chain
- Monitored country progress toward 90-90-90 and COP targets, in collaboration with headquarters interagency teams and S/GAC
- Contributed to development of COP 2017 Country Operational Plan General and Country Specific Technical Considerations, requests for briefing memos, congressional reports and other technical documents related to Adult, Adolescent, and Pediatric HIV Care and Treatment and Quality Improvement issues

**HEALTH RESOURCES AND SERVICES ADMINISTRATION
5600 FISHERS LANE; ROCKVILLE, MD 20857**

NOV 2015-AUGUST 2017

Nurse Consultant; Data Evaluation and Quality Branch, Division of Global Programs, Office of Training and Capacity Development, HIV/AIDS Bureau

- Provided technical expertise on Adult, Adolescent, and Pediatric HIV Care and Treatment and Quality Improvement across multiple countries and mechanisms
- Managed the Quality Improvement Capacity for Impact Project (QICIP) cooperative agreement across 14 countries
- Monitored country progress toward 90-90-90 through routine POART, COP review processes, and Agency representative as Agency Point of Contact for Namibia, Cameroon and South Africa

- Strategized and contributed to 2015 and 2016 HOP proposal development and implementation and development of Funding Opportunity Announcements
- Represented HRSA in multiple interagency and multilateral forums including participation on PEPFAR Service Delivery and Viral Load Task Forces, Quality and Sustainability technical working groups, and the WHO Quality of HIV Clinical Services TWG

INTERNATIONAL TRAINING & EDUCATION CENTER FOR HEALTH; UNIVERSITY OF WASHINGTON

**232 BRONKHORST STREET, 203 OPTIPLAN HOUSE,
NIEUW MUCKLENEUK, 0181 SOUTH AFRICA**

FEB 2013 – NOV 2015

**Clinical Instructor; Department of Global Health, School of Public Health
Senior Clinical Technical Advisor, I-TECH South Africa**

- Provided direct management, including technical and budgetary oversight and coordination of programs aimed at maximizing the impact of HIV and TB programs and improving health systems, including support to the following entities:
 - National (Provincial and District) Departments of Health related to TB/HIV, Sexually Transmitted Infections, Prevention with Positives, and development of 6-month Fellowship for Health Information Management/Epidemiology;
 - South African Nursing Council in establishment of a continuing professional development requirement;
 - Department of Correctional Services in alignment of indicators, policy review and situational analysis of HIV and TB programs;
 - National Health Laboratory Service in review and redesign of Laboratory Technologist pre-service curricula.
- Provided technical expertise in design, oversight of data collection and analysis, as well as dissemination of evaluation and operational research studies related to prevention, care and treatment and health systems strengthening activities
- Developed, piloted and trained HIV, TB, HIV prevention, and STI trainings, including a focus on vulnerable populations, in collaboration with the South Africa National Department of Health with capacitation of Department of Health staff for program sustainability
- Participated as lead on Gender based violence desk review for Maternal, Child, Adolescent, Women's and Nutrition South Africa Review process; led the Integrated Clinical Support (PC101) Technical Working Group process; participated in the South African Nursing Council Continuing Professional Development Technical Working Group, and establishment of the National Rapid Syphilis Steering Committee

INTERNATIONAL TRAINING & EDUCATION CENTER FOR HEALTH; UNIVERSITY OF WASHINGTON

901 BOREN AVE, SUITE 1100 SEATTLE, WA 98104

MAY 2006 – JAN 2013

Consultant, Content Developer & Trainer – I-TECH South Africa

MAY 2006 – MAY 2008

- Developed, piloted and assisted with evaluation of trainings related to HIV, TB, HIV prevention, STIs and Maternal/Child Health
- Supported in-Country activities to mentor trainers and develop regional training centre expertise and capacity
- Provided clinical and technical review for I-TECH South Africa training, research, technical assistance and capacity building programs

Consultant, Content Reviewer – I-TECH Malawi

MAY 2011 – AUGUST 2011

- Reviewed and contributed content to nursing curriculum on topic of updated HIV Management Guidelines

Consultant, HIV/ART Nurse Specialist Training & Clinical Mentor, Ethiopia

MAY 2006 – MAY 2008

- Mentored nurses and nurse mentors in care of adult and pediatric HIV-infected individuals
- Trained nurses actively providing HIV care in the HIV Advanced Nurse Specialist (HANS) curriculum
- Provided capacity building including: development of mentoring program for nurse-scale-up initiative, revision of HANS curriculum and I-TECH developed Ethiopian *Palliative Care Guideline*, support to Ethiopian Nurses Association

UNIVERSITY OF SOUTHERN CALIFORNIA – LOS ANGELES, CA

FEB 2007–JAN 2013

**Instructor in Clinical Family Medicine, Keck School of Medicine
Director of Nursing Programs, Pacific AIDS Education and Training Center
1000 S. Fremont Ave, Unit 22, Bldg A-6, 4th Fl; Alhambra, CA 91803**

- Directed Southern California PAETC Rapid Testing at Labor and Delivery subcontract, providing capacity building, technical assistance and training to successfully implement rapid HIV testing at labor and delivery facilities in Southern California
- Provided capacity building, technical assistance and clinical consultation on HIV, TB, STIs and related illnesses to improve direct patient care and strengthen health systems in Los Angeles County

- Developed, ensured technical accuracy, implemented and evaluated didactic, print and web-based training programs for nurses and other medical providers related to prevention, detection and care of HIV infection, TB, STIs and other related topics
- Clinically trained family medicine residents, medical fellows and other licensed health care providers on the care of persons living with HIV
- Collaborated with research, reporting and evaluation activities

Nurse Practitioner**APRIL 2007–JAN 2013****Maternal, Child, and Adolescent/Adult Virology and Infectious Diseases Clinic****1000 S. Fremont Unit 62, A10N; Alhambra, CA 91803**

- Provided primary and HIV specialty care to HIV-infected and affected children, adults and adolescents
- Clinically trained medical residents and physician assistant students in care of HIV-infected adults and adolescents
- Managed and coordinated HIV/STD testing and counseling team

CICATELLI ASSOCIATES, INC**JAN 2011 – AUGUST 2011****505 8TH AVE #16, NEW YORK, NY 10018****Consultant, Content Developer & Trainer, El Salvador**

- Developed, implemented and evaluated English/Spanish HIV/TB curriculum for nurses on behalf of the Ministry of Health of El Salvador

UNIVERSITY OF COLORADO**2004–2006****Instructor, School of Medicine, Division of Infectious Diseases****Clinical Education Coordinator, Mountain Plains AIDS Education and Training Center****12631 E. 17th Ave; Aurora, CO 80045**

- Managed and provided didactic and clinical training on HIV, TB, Hepatitis A/B/C and STIs during monthly clinical training program
- Provided clinical consultation, training, technical assistance and capacity building to improve prevention, detection and care of persons with HIV, TB, Hepatitis and STIs throughout the Mountain Plains region
- Developed and edited enduring materials
- Assisted in AETC grant writing and reporting activities

Nurse Practitioner, Infectious Diseases Group Practice**2005–2006****1635 Aurora Ct; Aurora, CO 80045**

- Provided primary and HIV care to HIV-infected adult patients
- Provided women's healthcare to infectious disease group practice patients
- Participated in multiple clinical research trials (ACTG site)
- Supported clinical training of medical residents and Infectious Disease fellows

DICKSON COUNTY PUBLIC HEALTH DEPARTMENT**MARCH–MAY 2004****Family Nurse Practitioner****301 West End Ave; Dickson, TN****BOULDER COMMUNITY HOSPITAL – BOULDER, CO****2003–2004****Nurse Spanish Interpreter****1100 Balsam; Boulder, CO 80304****SALUD FAMILY HEALTH CENTER – BRIGHTON, CO****1999–2004****Family Nurse Practitioner****1860 Egbert Street; Brighton, CO 80601**

- Provided primary care in a diverse practice, including acute, pediatric, adult, ob/gyn, and migrant health care
- Effectively assisted patients in accessing limited specialist care and diagnostics
- Fostered a professional and compassionate environment for under-insured and immigrant patients

LANGUAGES**ENGLISH AND SPANISH**

Written and conversational – First language/Native speaker

EDUCATION

VANDERBILT UNIVERSITY SCHOOL OF NURSING – NASHVILLE, TN
Masters of Science in Nursing, Specialization as Family Nurse Practitioner

AUG 1999

WHEATON COLLEGE – WHEATON, IL
Bachelor of Science in Liberal Arts/Nursing

MAY 1998

LICENSES/CREDENTIALS

Family Nurse Practitioner
Advance Practice Certification
Registered Professional Nurse

American Nurses Credentialing Center
State of Colorado
State of Colorado

RECENT COURSES COMPLETED

August 2018: United Nations Basic and Advanced Security
October 2016: Foreign Affairs Counter Threat (FACT) Training
September-December 2014: South Africa lead for Principles of STD/HIV Research for the *I-TECH South Africa Distance Learning Course*, Department of Global Health, University of Washington
October 2013: USAID Rules and Regulations, *InsideNGO*, Johannesburg, South Africa

SOCIETY MEMBERSHIPS

Association of Nurses in AIDS Care National Member
International AIDS Society Member

2004–PRESENT
2008–2010, 2016–2020

SERVICE

PROFESSIONAL ORGANIZATIONS – NATIONAL/INTERNATIONAL

Member, Global Specialty Committee, Association of Nurses in AIDS Care	2005–NOV 2015
Co-Chair, Global Specialty Committee, Association of Nurses in AIDS Care	NOV 2007–JAN 2011
<ul style="list-style-type: none"> Contributed to <i>Statement on the Rights of Nurses to Health and Safety – A Global Call to Action</i> Member of planning committee for ANAC Satellites at 2008 & 2010 International AIDS Conferences
